Should the rights of third parties or statutory regulations be violated by the content of this website, please send an advisory notice without an invoice.

Liability for Content

The content of this website has been created with great care. However, we cannot assume warranty for the accuracy, completeness, and actuality of the site.

As a service provider, we are responsible for our own content on the website as per the general terms and conditions, according to § 6 Abs.1 MDStV and § 8 Abs.1 TDG. However, service providers are not responsible for monitoring information conveyed by third parties or for foreign saved information, nor to inquire into circumstances that might indicate an illegal action. Hereof not mentioned are the obligations to block or remove the usage of the information according to general law. However, relevant liability is only possible after the concrete realization that an infringement has taken place. With knowledge of the infringement, we will immediately remove the relevant content.

Liability for Links

Our offer includes links to external, third-party websites, whose contents we do not influence. Therefore, we cannot assume liability for the contents of these websites. The contents of the linked sites are invariably the responsibility of the provider or business of these websites. The linked website is also checked for possible law offences at the time of linking. Illegal contents were thus at the time of linking not recognized. Permanent content control of the linked site is not possible without clues of a law infringement. With knowledge of an infringement, the relevant links will be immediately removed.

Copyright

The company of this site endeavours to constantly remain

aware of the copyrights of others and to rely on personally-created and license-free works.

The contents and works on this site created by the site's company are subject to German copyright laws. Contributions from third-parties are also identified as such. The duplication, editing, distribution, and any art of utilization outside of the boundaries of the copyright laws must have the written consent of the current respective author or creator. Downloading and copies of the site are only lawfully allowed for private and not commercial usage.

Data Protection

Insofar as personally-based data is compiled on our site (for example names, addresses, or e-mail addresses) this action always and as far as possible takes place on a voluntary basis. If possible, the usage of the offers and services is done without requirement of specification of personally-based data.

Herewith, we object to the usage of released personal data that falls within the scope of the legal notice obligations, and to its transmittance through third-parties for advertisements and information materials that are not expressly unsolicited. The company owner of the website reserves the right to pursue the necessary legal proceedings in the case of an unsolicited delivery of advertisement information, possible through spam-mail.
